Lume PC App for Windows – Setup Guide

Download Link: likemagictv.net

How to Install:

1. Download the `windows_app.exe` file from the link above.
2. Double-click the file to begin installation.
3. If you see a "*Windows protected your PC*" message:
 - Click **More info**.
 - Then click **Run anyway** to proceed with the installation.
4. Once installed, open the app.

Initial Setup:

1. Enter the following details:
 - **Any Name:** (e.g., your name or any label)
 - **Username:** (*your login username*)
 - **Password:** (*your login password*)
2. Click **ADD USER**.
3. You'll be prompted to set a **Parental Control PIN** — you can either set one or skip this step.
4. After setup, explore:
 - **Live TV**
 - **Movies**

- **Series**

If you have any questions or need help, feel free to reach out.
